3. The term deposit account holders at the time of placing their deposits can give instructions with regard to closure of deposit account or renewal of deposit for further period on the date of maturity. Choosing one of these two options is a must so that the Bank minimizes chances of any possible interest loss to customers.
4. In line with the wind down of NatWest Markets plc India branch and with effect from 11th April 2017, the bank will stop accepting fresh or renewal of existing Domestic Rupee term Deposits with tenor more than 3 months. Consequently all term deposits with auto renewal instructions, period of such renewals shall be capped to a maximum tenor of 3 months until further notice. In line with the above change, any standing instructions or requests for tenors exceeding 3 months will be capped at 3 month tenor only.
5. The facility of premature withdrawal of term deposits is available on all deposits less than fifteen lacs or such other amount as may be stipulated by RBI from time to time. For deposits greater than fifteen lacs, Bank may offer the Customer to choose term deposits without the facility of premature withdrawal at the time of accepting such deposits.
6. The joint depositors of term deposits with “Either or Survivor” or “Former or Survivor” or “Latter or Survivor” mandates may allow premature withdrawal of their deposits by one of the joint depositors on the death of the other, upon providing a specific joint mandate to the Bank from all the depositors for the said purpose while booking the term deposit. This is an optional facility which, if not availed by the depositors at the time of the term deposit booking, will require both the depositors to sign an instruction related to premature withdrawal of the term deposit.

4.1 PREMATURE WITHDRAWAL OF TERM DEPOSIT

The Bank on request from the depositor, at its discretion, may allow withdrawal of term deposit before completion of the period of the deposit agreed upon at the time of placing the deposit. The Bank shall declare their penal interest rates for premature withdrawal of term deposit. Premature withdrawal penalty is currently waived for all term deposits, where premature withdrawals are permissible, for all tenors.

When a term deposit is withdrawn prematurely –

- Interest is paid for the number of days the deposit was held with the Bank.
- Rate of interest will be the rate applicable for the duration the deposit was held with the Bank (number of days) applicable on the date the term deposit was booked. Illustration: A term deposit was booked on 1st August 2013 for 1 year at 8% rate of interest. The rate of interest on that date for a 6 – 9 month deposit was 7%. When the customer requests for withdrawing the term deposit on 1st March 2014, i.e. after 7 months, the rate of interest applicable will be 7%.
- Penal interest will be applied on 7 % rate of interest as described above.

4.2 PREMATURE RENEWAL OF TERM DEPOSIT

Incase the depositor desires to renew the deposit by seeking premature closure of an existing term deposit account, the Bank will permit the renewal at the applicable rate on the date of renewal, subject to the period being higher than earlier deposit. Incase the deposit is for a lower term, bank may levy penal charges on the interest earned. While prematurely closing a deposit for the purpose of renewal, interest on the deposit for the period it has remained with the Bank will be paid at the rate corresponding to the applicable period, at the time of placement of the deposit and not at the prevailing rate of interest. However as mentioned above, in line with the wind down of NatWest Markets plc India branch and with effect from 11th April 2017, the bank will stop accepting fresh or renewal of existing Domestic Rupee term Deposits with tenor more than 3 months. TDS will not be deducted on these deposits if the deposit holder has submitted Form 15H, subject to applicable tax exemption limits and PAN having been provided to the Bank. In case of a Term deposit which is standing in the name of an HUF, the Karta of the HUF cannot be offered higher rate of interest, even if he is senior citizen, as the beneficial owner of the deposit is the HUF (and not the Karta in his individual capacity).

4.4 TAX SAVER DEPOSITS

Under the Finance Act of 2006, term deposits up to INR 150,000 booked for five years are eligible for benefit under section 80C under Income-Tax Act, 1961. Such deposits are dealt with as per the governing RBI guidelines.

Under the current RBI guidelines, the unclaimed deposits will be credited to The Depositor Education and Awareness Fund Scheme, 2014 (a scheme created under the aegis of RBI) within a period of three months from the expiry of the said period of ten years. The Fund shall be utilized for promotion of depositors’ interest and for such other purposes which may be necessary for the promotion of depositors’ interests as specified by RBI from time to time. The Account holder would, however, be entitled to claim from the Bank his/her deposit or any other unclaimed amount or operate his/her account after the expiry of ten years, even after such amount has been transferred to the Fund.
